

Instructions for Gas Gas Skid Plate

FIG 1

FIG 2

FIG 3

FIG 4

1 Using a 5mm Allen wrench, remove the two front bolts holding on the stock plastic skid plate. (Fig 1)

2 Position the new EE skid plate so that the front bolt holes align with the factory tabs (the same tabs the stock plastic skid plate attached to). Using the two supplied 8x25mm flathead bolts fasten the EE skid plate to the existing frame tabs (only finger tighten at this time) (Fig 2)

3 While working from the right side of the motorcycle, position the rear mounting bar (part # 041-02) on the top side of the shock linkage mount. (Fig 3)

a While holding mounting bar in position, insert the supplied 8x55mm flathead bolt into the rear mounting hole of the EE skid plate.

b Press the skid plate up against the frame, and the 8x55mm bolt through the linkage mount and thread into the mounting bar (only finger tighten at this time) (Fig 4)

4 Once all three mounting bolts have been started, use a 5mm Allen wrench and begin to tighten the mounting bolts, alternating from front to back until skid plate is secure.

WARNING AND DISCLAIMER

All parts manufactured, designed or sold by Enduro Engineering, Inc. (EEI) are to be installed by a licensed motorcycle dealer or a licensed motorcycle technician. Motorcycles can be dangerous. Serious injury, death and property damage can result from the use of motorcycles. This risk is increased by improper installation or misuse of after market parts. EEI's customers must exercise good judgment in the use, control, alteration, part selection and installation, and maintenance of their motorcycles. In the event of a possible defect in material or design, or any other defect in a part manufactured, designed or sold by EEI, the responsibility of EEI is limited to either a refund of the purchase price or the replacement of the part if EEI determines the part to be defective, and subject to EEI's inspection of the part within thirty (30) days from the date of purchase. (Note: any attempted repairs or modifications made to EEI products will void this limited warranty). EEI, under no circumstances will be responsible for incidental and/or consequential damages, property damage, personal injury damage, or damage, injury, cost or expense of any kind or nature whatsoever. By purchasing an EEI product or a product sold by EEI, you (1) acknowledge the above disclaimer and agree to its terms; (2) agree that any claim brought against EEI arising from and/or pertaining to or otherwise related to a part manufactured, designed or sold by EEI must be brought in the Michigan State Courts located in the County of Ingham or in the Federal District Court for the Western District of Michigan and that Michigan law shall apply on all issues; and (3) any claim against EEI must be brought within one (1) year of purchase of the product. EEI makes no other warranty, express or implied, including without limitation any warranties of merchantability and fitness for a particular purpose. R.JRF.Sec.randt.warninganddisclaimer. 5 2 08
